### Students auditioning for Huntsville Youth Symphony

#### **1: Scale Requirements**

Students must know all twelve major scales. Students will be asked to play two of the scales, selected by the judges, during the audition. String players shall perform all scales three octaves. Woodwind and brass players shall play two octaves where possible. Students shall **NOT** perform arpeggios during the audition. **Scales must be memorized.** Scales shall be performed at a tempo of at least 90 bpm per scale degree. Scales are worth 5 points each for a total of 10 points.

#### **2: Orchestral Excerpt (prepared piece)**

Students **MUST** play the excerpt(s) provided. If the prepared piece is an orchestral excerpt or excerpt from a solo work, students are encouraged to listen to several recordings (available free online) so that it may be played with the correct style. If a student has never been accepted to the Huntsville Youth Symphony, s/he must perform both the Sinfonia and Huntsville Youth Symphony excerpts. The prepared excerpts are worth 20 points total.

#### **3: Sight-Reading**

Students will be asked to sight-read during the audition. Students will have 20 seconds to look over the music before playing it. Sight-reading is worth 15 points.
